RE: New Regulation – Claim Limitation Period  
STATE EMPLOYEE RETIREMENT COMMISSION

Dear Senator Roraback and Representative Davis:

The Connecticut State Employee Retirement Commission (“Commission”) is submitting for your action a new regulation which establishes and imposes time limits within the administrative appeal process in which a party must bring a claim against, give notice of a claim, provide information or seek reconsideration of a decision of the Commission or the Medical Examining Board.

The Commission has designated me as the contact person for this regulation. If you need additional information or have any questions concerning this regulation, please contact me at 860-702-3534.

Sincerely yours,

State Employees Retirement Commission
